(1) As used in this subsection (), "school resource officer" or "SRO" has the same meaning as school resource officer as defined in § 49-6-4202.

(2) The Tennessee school safety center shall award SRO grants to LEAs in order for each LEA to have at least one (1) full-time SRO assigned to each school in the LEA.

(B) The center shall only expend funds appropriated to the center for SRO grants as authorized in this subsection ().

(C) SRO grants must reimburse an eligible LEA in the amount of thirty thousand dollars (\$30,000) for each school in the LEA that employs at least one (1) full-time school resource officer.

(D) SRO grants must be awarded until each LEA receives one (1) SRO grant for each school in the LEA in the amount of thirty thousand dollars (\$30,000) or until all moneys in the SRO grant fund have been exhausted, whichever occurs first.

(E) Amounts appropriated to the center for SRO grants that remain unexpended at the end of each fiscal year must be carried forward until expended in accordance with this subsection ().
